SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

FC 2002-094983

06/12/2015

The Court presents a summary of the case.

The Court is in receipt of an Arrears Calculation Report and payment history prepared by the Family Court Conference Center. According to the calculation, Father is short \$549.00 through the end of May. Father's current child support order is \$1,068.00 per month. Father's *Petition to Modify Child Support "Simplified Process"* filed November 26, 2014, was rejected by Commissioner Wendy Morton due to deficiencies stated in her April 9, 2015 minute entry.

Mother summarizes payments received to date.

Father, having previously been sworn, testifies telephonically that his release date is March 27, 2016.

Based upon the matters presented herein,

THE COURT FINDS Father in substantial compliance with his monthly child support obligation. Based on the payments recently made on June 1 and June 2, 2015, Father has paid through mid-June. Based on the payment schedule, a payment is expected to be made on June 15, 2015, which will bring Father current through June.

Mother does not request further review hearings at this time.

Upon inquiry by Father, the Court reviews the case file with regard to Father's Petition to Modify Child Support filed on November 26, 2014, and the deficiencies noted by Commissioner Morton.

Discussion is held.

Father is advised that no action will be taken on his Petition until he cures the deficiencies noted in Commissioner Morton's minute entry.

IT IS ORDERED that in the event Father does not remain current in paying all child support obligations within the next 12 months, including all payments ordered on any arrearage herein, this Court will accept an *Affidavit of Non-Compliance* from Mother. At that time, an Order to Appear will be issued and sent to Father at the last address for him in the Court's file. Any failure to appear on an *Order to Appear* will result in a Child Support Arrest Warrant being issued for Father.

2:35 p.m. Matter concludes.
